Matters Arising:

None, except that the PCSO would still like to contact older parishioners and SA thought that contact would be best established through "All's Welcome".

Chairman's Report

The Chairman gave her Annual Report summarizing the work and achievements of the Parish Council during the past twelve months. This would be posted on the notice boards and published.

Open Forum:

Police Report: PCSO Doubleday summarized the year's Policing and was pleased to report that generally incidents were on the decrease. The main problems had been with regards to Terling Ford. Regular meetings and beat surgeries take place locally. A marked police vehicle is parked regularly in Rileys – the next one is 10th June, then 15th July, 12th August and 16th September, for opportunities to discuss concerns. From 7pm to 9pm. Training had recently taken place on the lazer guns to trap speeding motorists and these would be put to use in the Parish shortly.

The Landlord of The Square & Compasses in Fuller Street outlined the problems with regards to the effluent from the pub's septic tank, with grey water going into the water course. He outlined his short, medium and long term solutions and sought the Parish Councillors' guidance in trying to resolve the matter in a timely and cost effective way relevant to his small rural business.

The meeting closed at 7.45pm.
