Mrs. S. Alder was introduced as a new Councillor.

Minutes of the meetings held on May 22nd, 2007:

These were unanimously approved.

Matters Arising:

None, except that the PCSO would still like to contact older parishioners.

Village Design Statement:

The questionnaire had had a 44% return. The winners had been resolved and photos had been taken for the web-site. The narrative is now being worked on and the public's issues are being taken into account. This is a time-consuming process, as it must be correct and well presented.

Open Forum:

Police Report: A good year, with only two criminal incidents and otherwise minor problems. Regular meetings and beat surgeries take place locally. A marked police vehicle is parked regularly in the Dismals-next one June 4th, for an opportunity to discuss concerns. Speed and Safety checks were requested at the following locations: Ranks Green Road, Crow Pond Road and the Old Dairy Hill.

The meeting closed at 7.35pm.
